PROXY STATEMENT
GENERAL INFORMATION

The enclosed proxy is being solicited on behalf of the Board of Directors of Apogee Enterprises, Inc. (the "Company") for use at the Annual Meeting of Shareholders to be held on June 21, 1994. Only shareholders of record at the close of business on April 29, 1994 will be entitled to vote at the meeting. A shareholder executing a proxy retains the right to revoke it by notice in writing to the Secretary of the Company at any time prior to its use. Proxies in the accompanying form which are properly executed, duly returned and not revoked will be voted in the manner specified. If a proxy is properly executed but does not specify any or all choices on it, the proxy will be voted as follows: (i) in favor of the election as Class II directors of all of the nominees described herein; (ii) in favor of the appointment of KPMG Peat Marwick as independent auditors of the Company; and (iii) in the discretion of the persons named in the proxy, as to such other matters as may properly come before the meeting.

If an executed proxy card is returned and the shareholder has voted "abstain" on any matter, the shares represented by such proxy will be considered present at the meeting for purposes of determining a quorum and for purposes of calculating the vote, but will not be considered to have been voted in favor of such matter. If an executed proxy is returned by a broker holding shares in street name which indicates that the broker does not have discretionary authority as to certain shares to vote on one or more matters, such shares will be considered present at the meeting for purposes of determining a quorum, but will not be considered to be represented at the meeting for purposes of calculating the vote with respect to such matter.

The address of the Company is Suite 1800, 7900 Xerxes Avenue South, Minneapolis, Minnesota 55431-1159. The telephone number is (612) 835-1874. The mailing of this proxy statement and form of proxy to shareholders will commence on or about May 19, 1994.

SHAREHOLDER PROPOSALS

SECURITY OWNERSHIP OF PRINCIPAL SHAREHOLDERS

At April 29, 1994, there were 13,313,131 shares of common stock, par value \$.33 1/3, issued and outstanding. Each share is entitled to one vote. The following table sets forth information concerning beneficial ownership of common stock of the Company by persons who are known to own more than 5% of the outstanding voting stock of the Company at March 31, 1994. Unless otherwise indicated, all shares represent sole voting and investment power.

- (2) The 732,417 shares held by the Trust of Russell H. Baumgardner dated April 30, 1974 are also deemed to be beneficially owned by Alfred L. Hoedeman, because he has sole voting and investment power as trustee of the trust.

ELECTION OF DIRECTORS

The Company's Articles of Incorporation provide that the Board of Directors be divided into three classes of directors of as nearly equal size as possible and further provides that the total number of directors be determined exclusively by the Board of Directors. The term of each class of director is three years, and the term of one class expires each year in rotation. Currently, there are nine directors. The terms of the directors of Class II, consisting of Directors A. Andersen, H. Hammerly and L. Niederhofer, expire at the 1994 Annual Meeting of Shareholders. The terms of the directors of Class III and Class I expire at the 1995 and 1996 Annual Meetings of Shareholders, respectively.

Unless authority is withheld, the Proxy solicited hereby will be voted FOR the election of Messrs. Anthony L. Andersen, Harry A. Hammerly and Laurence J. Niederhofer as Directors of Class II for a three-year term expiring at the 1997 Annual Meeting of Shareholders. The affirmative vote of a majority of the shares of common stock of the Company entitled to vote and present in person or by proxy at the annual meeting is necessary to elect each nominee. Messrs. Andersen and Niederhofer have been members of the Board of Directors since 1988 and 1964, respectively, and were last elected to the Board of Directors at the 1991 Annual Meeting of Shareholders. At its April 22, 1994 meeting, the Board of Directors unanimously elected Mr. Hammerly to fill the vacancy on the Board due to the death of director Russell H. Baumgardner.

Management has no reason to expect that any of the nominees will fail to be a candidate at the annual meeting and, therefore, does not have in mind any substitute or substitutes for any of the nominees. If any of the nominees should be unable to serve as a director (which event is not anticipated), proxies will be voted for a substitute nominee or nominees in accordance with the best judgment of the person or persons acting under the proxies.

The following table sets forth certain information as to each nominee for the office of director, as well as directors whose terms of office will continue after the 1994 Annual Meeting of Shareholders is held.

The Company has standing Audit, Compensation, Executive and Corporate Governance Committees of the Board of Directors. The members of the various committees are noted in the table above.

The Audit Committee recommends the selection of the independent auditors to the Board of Directors; reviews the scope and results of the audits performed by the independent auditors; and reviews various auditing and accounting matters. The Audit Committee met twice during the fiscal year ended February 26, 1994.

The Compensation Committee determines the salary and other compensation of all elected officers and senior management. The Compensation Committee also administers the 1987 Stock Option Plan and the 1987 Partnership Plan. The Compensation Committee met once during the fiscal year ended February 26, 1994.

The Corporate Governance Committee periodically assesses the organization's adherence to the Company's mission and principles, reviews the organizational structure and succession plans, makes recommendations to the Board regarding the composition and responsibilities of board committees, and suggests new director nominees to the Board. The Committee will consider qualified nominees recommended by shareholders. Any such recommendation for the 1995 election of directors should be submitted in writing to the Secretary of the Company at the address indicated above no later than 90 days in advance of the 1995 Annual Meeting of Shareholders. Such recommendation must include information specified in the Company's Bylaws which will enable the Committee to evaluate the qualifications of the recommended nominee. Non-employee director members of the Committee annually review and evaluate the performance of the Chief Executive Officer. The Corporate Governance Committee met twice during the fiscal year ended February 26, 1994.

Compensation of Directors. Directors, except for full-time employees of the Company or its subsidiaries, were paid \$12,000 annual retainer, plus a fee of \$1,000 for each meeting of the Board of Directors or its committees attended. Non-employee directors also receive automatic, annual stock option grants under the 1987 Stock Option Plan. The number of shares granted are determined by dividing directors' cash compensation by the market price of common stock on specified dates. The table below includes the options granted to the non-employee directors in fiscal 1994, which for the non-employee directors as a group totaled 7,651 shares. The per share exercise price of all such options is \$12.05. None of these options has been exercised.

Non-employee directors also may elect to participate in the Company's Employee Stock Purchase Plan. Under the plan, participants may purchase the Company's common stock by contributing up to \$100 per week, with the Company contributing an amount equal to 15% of the weekly contribution. For the fiscal period 1994, the Company contributed \$2,880 to the Employee Stock Purchase Plan for the benefit of all non-employee directors as a group.

The Company has consulting agreements with Laurence J. Niederhofer and D. Eugene Nugent, non-employee directors, to provide consulting and advisory services to the Company. Mr. Niederhofer's agreement covers five one-year terms ending November 1, 1998 and pays Mr. Niederhofer a fee of \$60,000 per year, plus certain out-of-pocket expenses and other benefits. Mr. Nugent's agreement pays him a fee of \$1,000 per day, plus certain out-of-pocket expenses, per assigned consulting engagement. For the fiscal period 1994, Mr. Nugent was paid \$3,000.

EXECUTIVE COMPENSATION

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Overview and Philosophy

The compensation of executive officers is determined by the Compensation Committee of the Board of Directors. The Committee is comprised entirely of outside directors. To assist in performing its duty and to enhance the objectivity and independence of the Committee, the advice and recommendations of an outside compensation consultant, as well as independent compensation data, are periodically obtained.

In administering the executive pay plans, the Committee desires to preserve the entrepreneurial style that it believes forms a strong component of the Company's history, culture and competitive advantage. As such, plans are designed and decisions are made that place more emphasis on long-term business development than on short-term results. Also, the Committee believes it is consistent with this entrepreneurial philosophy to place more emphasis on both short and long-term incentive pay, than on base pay. In furtherance of this philosophy, the Company maintains a high level of operational autonomy, there being only four executive officers and 21 employees, including officers, at the corporate level, compared to a total employee count of 5,863 as of February, 1994. Compensation of divisional management is administered primarily at the divisional level.

The objectives of the executive compensation policies are to:

- 1) Promote the achievement of strategic objectives which lead to long-term growth in shareholder value.
- 2) Establish total compensation plans that are competitive with similarly situated companies, that attract and retain superior performers, and that reward outstanding performance.
- 3) Align the executive officers' interests with those of the Company by making incentive compensation dependent upon business unit or Company performance.

Base Salary

Base salaries are reviewed annually. In determining annual salary adjustments, the Committee takes into account the executive's level of responsibility, experience, and performance in relation to the Company's performance and other companies' performance. In fiscal 1994, base salaries of executive officers were less than the average of companies of equivalent size and complexity and no executive officer received an increase. Final 1994 base salaries remained the same as fiscal 1993.

Annual Incentive

Executives may earn annual incentive compensation under an individualized cash bonus plan. The Committee develops the plan for the Chief Executive Officer and reviews and approves plans for other executive officers at the beginning of the fiscal year. Each plan encompasses specific objectives, such as business unit or Company profitability, achievement of planned results, return on assets or equity, and individual and group development. The actual cash bonus is awarded based on the degree of achievement of those objectives. The Committee may also make discretionary bonus awards if, in its judgment, such action is merited in light of individual performance, compensation equity, or both. For fiscal 1994, the range of potential bonus payments as a percentage of base pay was from zero to 102 percent.

Long-term Incentive

To further encourage alignment of executives' interests with those of the Company's shareholders, executives selected by the Committee may also participate in the 1987 Partnership Plan. At the beginning of the year, each executive officer may voluntarily defer up to fifty percent of their possible incentive compensation (to a maximum of \$100,000) to be invested in the Partnership Plan. The Company matches the deferred amount and the aggregate is invested in the Company's common stock. The individual's amount is vested immediately, however the shares are held in trust and restricted for a period of not less than five years. The Company match is made in restricted stock that is vested in equal annual increments over a period of 5 to 10 years, as determined by the Committee. In the accompanying Summary Compensation Table, the deferred amount and the Company match under the Partnership Plan are shown in the column labeled Restricted Stock Award. Such restricted stock awards relate exclusively to the compensation deferral under the Partnership Plan, and no other restricted stock grants have been made to executive officers of the Company in the three-year period.

Stock Options

Executives are also eligible to receive grants under the Company's stock option plan which is administered by the Compensation Committee. Option grants are made at current market prices so that executive rewards accrue only as shareholder value increases. The option grants typically vest at the rate of 25 percent per year, beginning on the grant's first anniversary. Consistent with the Company's emphasis on long-term incentives, grants are generally made each year to a broad base of recipients (201 employees in fiscal 1994) that may or may not include executive officers.

Chief Executive Officer Compensation

Mr. Donald W. Goldfus has held the position of Chief Executive Officer since 1986. His salary for fiscal 1994 was \$285,000. Mr. Goldfus' 1994 salary did not reflect any increase from his 1993 salary. The Committee believes that Mr. Goldfus' contributions have helped to lead to the dramatic improvement in the automotive and glass fabrication segments of the Company during the past year. This conclusion is supported by the Corporate Governance Committee which, as part of its duties, completed a performance review of the Chief Executive Officer in March, 1994. Accordingly, the Committee awarded Mr. Goldfus a discretionary bonus of \$50,000 under the annual incentive plan. Mr. Goldfus had elected to defer one-half of any bonus received into the Company's long-term, stock-based incentive plan (the 1987 Partnership Plan). Therefore, the accompanying Summary Compensation Table reflects a cash bonus of \$25,000. The deferred portion, together with the Company match as described above and in the table, are reported in the restricted stock award column in the table.

The Committee believes the executive compensation policies and actions discussed in the above report reflect decisions which are consistent with the Company's overall beliefs and goals.

The individual's deferred amount is vested immediately, however the shares are held in trust and restricted for a period of not less than five years. The Company match is made in restricted stock that is vested in equal annual increments over a period of 5 to 10 years, as determined by the Compensation Committee. All shares are eligible to receive all declared dividends. As of February 26, 1994, the total number of shares held in trust and dollar value of those shares for each officer is listed below.
